EXPLORE. BELONG. THRIVE.

E2 Academy is a growing, fully accredited small K-12 private school in Edmonton, Alberta that specializes in educating twice-exceptional students.

We are seeking 2 dynamic individuals for a Junior high generalist teacher and a Junior/Senior high math, and science teacher. One position is full time and the second is .4 FTE. A Bachelor of Education and a valid Alberta Teaching Certification are required.

## WHO WE ARE

- A team of passionate educators, assistants and specialists dedicated to making a difference in the lives of our students by building skills and self confidence in a safe and judgement free environment
- We utilize a project-based education model individualized to each student's needs and interests
- We have multigrade classrooms with a maximum of eight students per room with at least one hands-on Educational Assistant.
- We believe assistive technology is the norm.

## ABOUT YOU

- You have hands-on experience with twice-exceptionality and knowledge of a variety of complex diagnoses and challenges
- You're a natural mentor who enjoys working collaboratively with a team and are passionate about cultivating an environment where students feel safe, supported, and challenged.
- You're ready to launch into project-based learning or willing to learn about it.
- You believe in using positive reinforcement and feedback to encourage a child's growth and confidence
- You understand that behaviors are a type of communication, and strive to translate these to support the children's needs.
- You possess strong verbal and written skills and are able to remain goal-focused while still flexible enough to respond to urgent needs.
- You are comfortable with various technologies and understand the need for individualized assistive technologies for the students
